Core route entities

- Most private Cabo boat tours start at Cabo San Lucas Marina.
- Common route points include Land's End, El Arco, the sea lion colony, Pelican Rock, Lovers Beach, Divorce Beach, and Medano Bay.
- The captain adjusts routing around wind, swell, port conditions, swim conditions, wildlife activity, and guest comfort.

Route styles

- Sightseeing: prioritize Land's End, El Arco, coastline photos, and a comfortable marina return.
- Swim or snorkel: plan around Pelican Rock or calmer water when conditions allow.
- Sunset: depart early enough for daylight boarding, golden-hour views, and a relaxed return.
- Celebration: prioritize deck space, food service, music, drinks, and stable anchor time.
